LOCAL DISASTER DECLARATION

On March 13, 2020, Governor Pete Ricketts declared that a state of emergency exists within the State of Nebraska due to the spread of the Coronavirus (COVID-19) across the country with confirmed cases within the borders of Nebraska.

Due to the recently confirmed community spread of COVID-19 in the Panhandle Public Health District, and the Governor’s inclusion of our community into the Directed Health Measure, the Mayor of the City of Sidney has declared a state of emergency authorized under Nebraska State Statute R.R.S. 81-829.50 on behalf of the City of Sidney, and will execute for and on behalf of the City of Sidney the expenditure of emergency funds from all available sources, the invoking of mutual aid agreements, and the applying to the State of Nebraska for assistance from the Governor’s Emergency Fund and any other resources he deems necessary in the fulfillment of his duties.

We ask that all individuals and businesses comply with the recommendations of the Governor’s Directed Health Measure. The city manager will bring forth any future announcements to changes in existing city services & policies.
